El Cajon Professional Firefighters Local 4603 is proud to endorse Jeneé Littrell for the Grossmont Union High School District Governing Board, Area 3.

As firefighters and first responders, we know that protecting a community requires preparation, prevention, strong partnerships, and leaders who put people's safety and well-being first. Jeneé has demonstrated these qualities throughout her career serving East County students and families.

Her work in student mental health, human-trafficking prevention in schools, and collaboration among schools and public agencies reflects a comprehensive understanding of community safety. She also recognizes that safe, successful schools depend on students feeling supported, employees being respected, and parents trusting that decisions are made openly and responsibly.

Many of our members live and raise their families in East County. We believe Jeneé's experience, integrity, and collaborative leadership will serve our community well.

El Cajon Professional Firefighters Local 4603 proudly supports Jeneé Littrell for the Grossmont Union High School District Governing Board, Area 3.
